525. SHRI O.P. KOHLI: Will the Minister of URBAN AFFAIRS & EMPLOYMENT be pleased to state:

(a) the number of shops/stalls lying vacant in Delhi belonging to DDA and the Directorate of Estates; since when those are lying vacant and the reasons therefor;

(c) whether there is any proposal to consider such requests now; if so, the details in this regard?

THE MINISTER OF STATE OF THE DEPARTMENT OF URBAN DEVELOPMENT IN THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (SHRI R.K. DHAWAN): (a) The vacancy position of shops/stalls in DDA and Directorate of Estates as on 31.10.1995 is as under:

	Shops	Stalls
DDA	1596	227
Directorate of Estates	5	8

The longest vacancy in the case of DDA is from 1.4.1991 and in the case of Directorate of Estates from 11.8.1983.

The main reasons for the vacancies in DDA in the non-reserved category are high reserve price based on construction/land acquisition costs and choice of bidders. In the case of Directorate of Estates, the vacancies are mainly owing to court cases, cancellation and non-compliance of terms and conditions.

(b) 43 per cent of the shops are allotted on the basis of reserve price to eligible categories. The rest are auctioned or given out on tender. In the last three years, 42540 applications were received against invitation of offer on reserve price and as shops to be allotted were only 1422, the required number from amongst the applicants were selected on the basis of computerised draw of lots.

(c) Those, who were not successful in the draw of lots, are eligible to apply again for fresh allotment on reserve price basis.
